## Introduction

### MusicGuru Academy- Who we are?

MusicGuru Academy has been teaching students of all ages since past 10 years, under Samvaad cultural enrichment effort. We have multiple locations across Detroit Metro area which include Troy, Sterling Heights / Shelby Township and Livonia / Northville / Canton locations. At MusicGuru Academy we offer variety of music courses and learning Avenues.

### Who is teaching?

**Kuldip Bhatt** is a classically trained (Visharad) artist of Uttar Hindustani music style, composer and music director with extensive stage experience in India, UK and North America. He has worked with renowned celebrity artists from across the globe.

**Vaishali Bhatt** has classical vocal, Kathak dance training and diploma to her credit along with live stage experience as part of Samvaad band. She brings creative writing skills, several years of strong cultural leadership, academic administration experience and vision to the institution. There are additional faculties teaching Tabla, Guitar and other instruments. We also strive to bring **variety of music training talent** through, performance accompaniment, lectures, workshops which helps widen music perspective.

### How do we teach?

We prefer to maintain smaller classroom sizes. on an average there are two faculties present in class. We provide learning material, impart training and musical awareness through classroom sessions, homework, you tube channel, videos, audios, private Facebook group share, Whatsapp, E Mail communication. But it gives better results when class work is combined with homework and your own commitment for consistent hard work.

### The Curriculum?

Our curriculum is based on Uttar Hindustani Classical music. Keeping in mind the interest in light/semi-classical/Bollywood music we also introduce popular music as part of our curriculum.

### Certification paths available

Some of you may want to learn for fun, while for younger generation and for some others goal based approach with tests and certifications may work better. There are certification programs available, which are offered by well-established Indian and international Institutions. We do encourage young students to appear in the certification exams.

### Recitals

There are variety of performances through the year, including at least one mandatory and dedicated school performance. All students get to perform.
